Hello, welcome to my portfolio!

I am your go-to graphic designer and photographer from Florida who's all about making your brand not just seen but felt, creating a deep, emotional connection through graphics and imagery that speaks louder than words. Designing has always been a strong interest and passion of mine. When I am not working on graphic design I enjoy doing my other hobbies like photography, fashion, creating art (paintings, ceramics, etc).

About Me:

Who is Bre'Aja Baldwin?

I am a graphic designer from Pensacola, Florida. I started doing graphic design back in 2020 while attending Florida A&M University. I am currently a senior graphic designer at the University of West Florida. I enjoy working on different design projects and art projects. I currently am a freelance designer that enjoys working with several clients to bring their design ideas to life by utilizing different graphic skills.

Color palette:

Used for container box for projects. And used for the web tiles (Portfolio-Bre'Aja Baldwin) and (click home) text on the 404 page.

#38AFE0

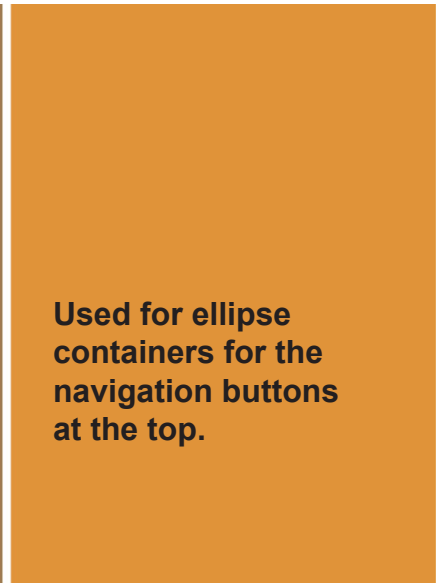

RGB 56, 175, 224

Used for rounded rectangle behind self portrait image on the about page.

#A17B50

RGB 161, 123, 80

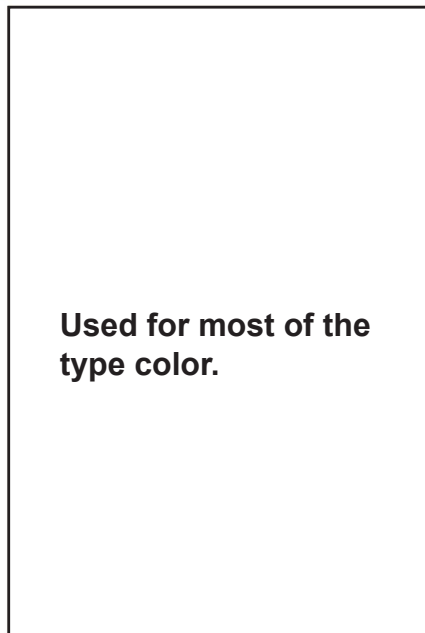

Used for ellipse containers for the navigation buttons at the top.

#E09339

RGB 224, 147, 57

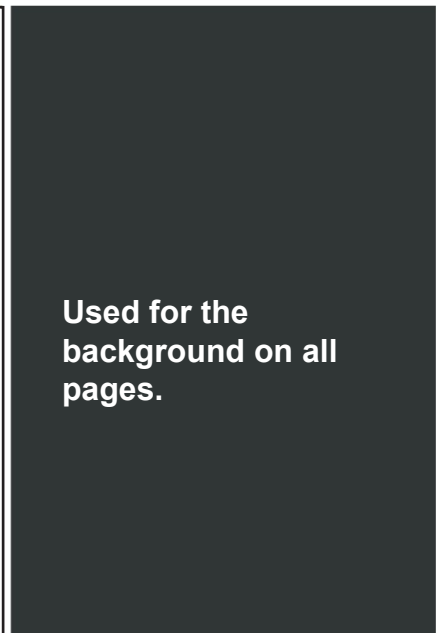

Colors for the web titles have been made a bit dimmer by changing the opacity. You can see this very clearly on the (Portfolio-Bre'Aja Baldwin) type.

Used for most of the type color.

#ffffff

RGB 255, 255, 255

Used for the background on all pages.

#303536

RGB 48, 53, 54

Typeface:

Heading: Garamond

Sub-Heading: Garamond

Body: Helvetica

Example Text:

Garamond:
